

## Small Steps

Small Things. Big Smiles.

WOW we cannot believe how well our little NPO is doing, and it is all thanks to wonderful people like **YOU**.

We are well on track with our goal this year and received some wonderful news last week. However, we still have a way to go, so please don't stop sending this message on or encouraging your friends to get involved.

Please read on to find out additional information on the shoeboxes, and also the volunteer work.

### Shoeboxes Deadline

With regards to the shoeboxes we hope that all is proceeding well.

We have had a lot of enquiries as to when the boxes should be done, in terms of the timeline we are expecting the boxes to be completed and in our capable hands by the 25 November 2010. However, the week of the 25 - 29 October 2010 will be a particularly good week to have your boxes ready as we will have plenty of free time in this week to collect and sort.

This means that we will be able to check them and deliver them well in advance! Don't forget you can spend anything up to R250, and if you have any questions about what to add in the box you can check the website or contact us.

Please let us know if you have not received your tag for a child or if you have any questions.

Don't forget to wrap your lid and box separately!!

#### EXCITING NEWS

We were very excited last week to find out that our sponsorship proposal saw some success...

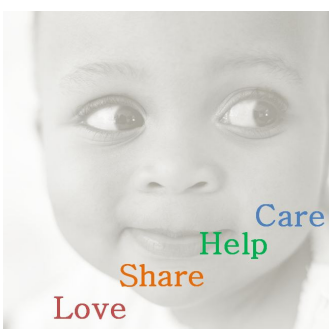

Anglo American has kindly jumped on board with our shoebox initiative and are donating 20 shoeboxes for the East Rand Children's Home.

As you can imagine, this takes quite a load off and gave us a big boost to meet our goal this year.

So, a **BIG** thank you!

#### Volunteer Work

We are still working on organizing a big outing to the homes so that we can spend some time with the little ones. We will keep you all posted on this.
